CGM Training Options:

Payments for all monthly lesson/training programs are due on the 1st day of each month. A late fee of \$15 or 15% of the total due (whichever is greater) will be added after the 5th day of the month.

Discontinuing/Altering Monthly Training requires 30 days advanced notice.

CGM Lesson terms:

Standard lessons consist of a private or semi-private session with a CGM instructor, generally 3 riders or drivers or less.

Group lessons consist of 4 or more riders or drivers, working under a CGM instructor. These are generally for more advanced students preparing for shows or other goals where there would be expectations that the rider/driver would need to be able to perform in larger groups.

For all lessons the following applies:

- All students are expected to arrive at least 15 minutes prior to their scheduled lesson time
- Students not arriving on time will have their lesson time curtailed so that lessons scheduled with other students are not impacted
- Riding/Driving time with CGM instructor = 30 minutes
- Ground time for instruction/supervision with a CGM instructor = 30 minutes.
 - Time includes 15 minutes tacking/instruction before riding/driving and 15 minutes cool down/instruction
 - As students show that they are self-sufficient and able to work independently, this time is no longer applied as lesson time. However the instructor will be available to assist the student during this time as needed.

A La Carte Riding/Driving Lesson rates \$45 per lesson at CGM - \$60 per session off property

Less than 24 hours notice of cancellation no refunds/rescheduling. After 3 incidences of short/no notice, all lessons must be confirmed 24 hours before or the time slot will be given to another student.
